- You may now go to the shopping cart to checkout when you are ready. You will have several locations where you may click to get to your cart now.

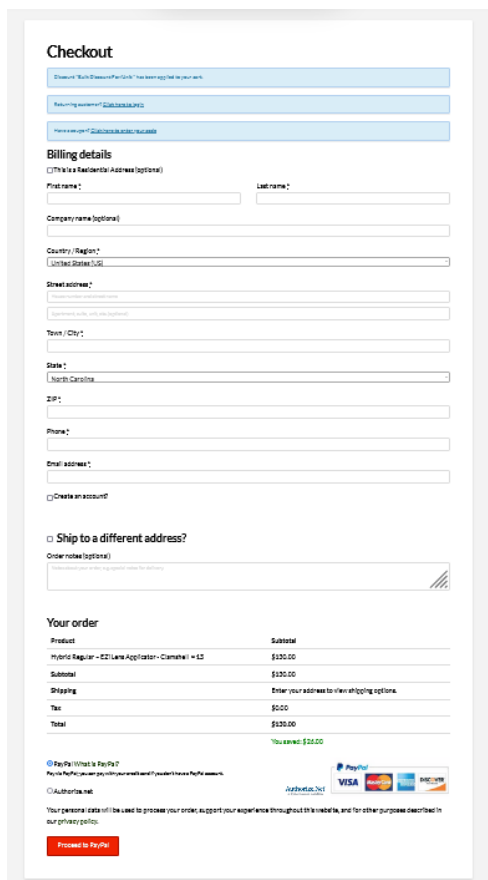

Its not just a plastic ring, its a better way to apply your sclera lens!

The screenshot shows the EZi Lens Applicator website. At the top, there is a navigation bar with links for HOME, EZI SHOP, CHECKOUT, MY ACCOUNT, CART, and CONTACT. The 'CART' link is circled in red. Below the navigation bar is the EZi Lens Applicator logo. A blue notification banner at the top of the cart area states: "13 x 'Hybrid Regular - EZi Lens Applicator' have been added to your cart." To the right of this banner is a "View cart" button, also circled in red. The main content area of the cart displays a product card for "Hybrid Regular - EZi Lens Applicator". The card includes a product image, the product name, the price "\$12.00" (with a strikethrough price of "\$7.00" below it), and a description: "The EZi Lens Applicator ring provides these unique features and benefits:". Below the description is a bulleted list of features: "One finger lens insertion" and "Lens self-positioning".

- From the cart you may now add a coupon code if you have one, or you may proceed to checkout if ready.

- At the next page you will fill out your billing details and shipping info, and you may also create an account for future use.

- You will now note two options for for payment, PayPal, or Authorize.net. Both options are secure and allow you to use a credit card. The PayPal option has the bonus of allowing you to use your PayPal account and balance to make your payment.
